Notes for the annual health checkup in 2021

We will have smaller annual health checkup for students in 2021 because of the prevention of new coronavirus infection. Please read this notes carefully and pay attention to news on student web site. Thank you for your cooperation.

※We will have only Chest X-ray at the gym this year.
Chest X-ray is ONLY for new students, the grade of graduating year students and the fourth grade students of Veterinary Medicine.

Even students who are not eligible can take the X-ray for [Ex.Education training or Nursing care, Study abroad, Job-hunting, Scholarship and so on.].

1. To prevent outbreak, if you have “YES” in the attached checklist, you cannot take health checkup this year.
2. The health checkup may be postponed depending on the epidemic situation of infection, administrative guidance, etc., so please refer to the [Important information] “Coronavirus: Information and Precautions” in the column on the top screen of the TUAT Web page. Check the information frequently.
3. Bring a checklist “The Health Checkup Questionnaire”. Complete “The Health Checkup Questionnaire” which should be brought with you on the day of the health checkup and submitted at the reception. During the checkup, wear your face mask and keep silence. We have some countermeasures for infection such as a hand disinfection.
4. Wear a white T-shirt on the day of the checkup in order to take chest X-ray quickly. In addition, please remove wired bra and metal accessories.
5. Bring a student ID card (if you have), a bag for outdoor shoes, indoor shoes,
6. In case of working students who has already taken checkup by their own companies, please bring results in 2021 to TUAT Health Service Center. (both handing in and mailing available)
7. If you won't take this checkup, we cannot issue your health certificate.
